

THE NATIONAL PROVISIONER

The Magazine of the Meat Packing and Allied Industries

ALPHABETICAL INDEX TO VOLUME III,

COVERING ALL ISSUES FROM JULY 1 TO DECEMBER 30, 1944, INCLUSIVE

This index lists alphabetically principal articles and items which have appeared during the past six months. Market and statistical information appearing regularly, but not indexed, includes the following: Livestock Market Receipts and Prices, Packers' Livestock Purchases, Slaughter Reports, Weekly Hog Cut-Out Tests, Provision and Lard Market Reviews and Charts, Tallow and Grease Market Reviews, Rendering Material and Fertilizer Markets, By-Product Charts and Prices, Vegetable Oil Market Reviews and Charts, Hide and Skin Market Reviews and Charts, Financial Notes, CCC Purchases and current news of the various fields covered. The current volume also contains

summaries of important regulations, amendments, etc., issued by the War Production Board, Office of Price Administration, War Food Administration, Office of Defense Transportation and other special war agencies of the federal government.

Departmental features appearing regularly include Processing Points, Plant Operation and Maintenance, Merchandising Methods, New Equipment and Supplies, Meat and Gravy and Up and Down the Meat Trail. Incorporated in the latter section is Industry Gold Stars, a column listing industry employes who have died in the service of the nation, and the new personal feature, Know Your Fellow Packers.
